Help Provide Opportunities in The Arts

The Cultural Alliance of the Pass, a non-profit, volunteer organization, has two venues. Volunteer artists run the Banning Art Gallery. It has bi-monthly art shows and unique events such as the Fall Festival of Art and the Christmas Boutique. The other venue, Banning Woman’s Club, is housed in a historic building. It can be rented for special occasions, and it is where events such as the Black Heritage Celebration and the Blues & Brews Festival is held.
